

What is YOUR Plan for *Personal* Development?

Growth does not happen by accident. 80% of people read don't even read **ONE** non-fiction book per year. When you start your path to personal growth, you begin your trip to the top!

What will **you** do to grow? What is **your** plan?

What if you read just *one more* book this year than you did last year?

What if you attend *one* conference, listen to *one podcast a month*, read *one blog* a week?

Here is a starter list of affordable resources to plug into your *personal* development plan.
