

Lunch & Learns

TEAM ENGAGEMENT • PRODUCTIVITY
PLANNING • PROFESSIONAL DEVELOPMENT
FOCUS • EXCEEDING EXPECTATIONS

Maximize your team's potential. I can help!

Corporate Lunch & Learn sessions are led by our Principal Geek, Tom Cooper. Designed to be action-oriented, fun and informative, these sessions will help your team grow, and will address such issues as employee engagement, planning, productivity and focus. I believe that people matter. This free program will help your team grow and they will thank you for it.

"Tom is an amazing speaker who not only motivates others to be better leaders and individuals but makes it feel like it's the easiest and best thing to do to support and help people around you."

—Namratha Mudigonda, High Point Solutions

"You can count on Tom to deliver a relevant presentation that hits the mark every time. He engages, educates, and entertains with stories and examples that bring the importance of effective leadership to life. Tom delivers!"

—Steve Dorfman, Driven2Excel
