

DISC Team Building Workshop

Description

Do people ever make you crazy?
 Do you wonder why it is that people don't seem to listen?
Would you like to know how to work better with team members, customers, peers, and your boss?

With this program, you'll learn how YOU work, and how THEY work. Your team will communicate more effectively and you'll get more done.

Highlights

- Increase team effectiveness and communication
- Reduce team conflict
- Understand the 4 primary types
 - "Dominant"
 - "Influence"
 - "Steadiness" and
 - "Conscientious"
- Gain insights into how these types affect teamwork, communication and achievement
- Learn simple tools to leverage your strengths and the strengths of your team members

Includes:

- Personalized DISC Assessment Report
- Detailed explanation of how to use your report to understand how you prefer to communicate and work with others
- Custom strategies for communication with each team member
- Quick Reference Guide for Communicating with Others

Who Should Attend

- Executive Leadership Teams,
- Partnership Teams
- Sales Teams
- Departmental Leadership Teams
- A Manager and his/her Team
- Project Teams

“Before the workshop, I thought my boss was just ‘broken.’

The DISC workshop taught me that we are different and helped me learn ways communicate with him.

Our whole team is better now.”

- Nicole D.
