

## Too Busy To Plan

### Description

How is it that some people, some teams, achieve 10x to 100x (or more) than others?

What are the secrets that achievers know? Could you and your team learn (and use) them? It's simpler than you might think.

*This program will help you get from **idea** to **DONE**.*

### Highlights

- Learn secrets of achievement
- Focus on what's wildly important
- Set goals that you WILL achieve
